CORRIDOR® BASIC S 720

Pore filler and primer

Application and dosage

**Preliminaries:**

Floor covering that has been stripped, rinsed, and is free from surfactants.

First primer:

Dilute 1:1 with water and apply evenly.

Use neat on linoleum.

Apply second and third coat neat if required. Every layer must be completely dry.

Note

Protect against frost.

Switch off sources of heat (heating radiators, floor heating) before using. Avoid direct sunlight. Only use cold water.
