

## ALL PURPOSE CLEANER

Intensive cleaner

# MARADIN HC 43

Highly concentrated intensive floor cleaner

### Fields of application

- For all water-resistant floor coatings like rubber and PVC, as well as unpolished natural and artificial stones, brick and earthenware slabs and surfaces
- Suitable for sports floor coatings
- Ideal for cleaning at completion of building works
- Also suitable for use on acrylic glass

### Product advantages/properties

- Outstanding cleaning power
- Including on structured floor coatings
- Highly efficient thanks to economical dosing
- Material-compatible
- Tested for sports flooring in accordance with FMPA DIN 18032/2
- Pleasant fragrance
- Suitable for use with high-pressure cleaning machine and machine cleaner

### HC - high concentrates are economical due to:

- Extremely economical dosage
- They reduce stock volume
- They reduce transport costs
- They conserve resources
