TOTAL EXTRA G 426

Highly alkaline and fast-acting basic cleaner

Application and dosage

1 - 2,5 l : 10 l water

Spread solution evenly over the floor and allow approx. 10 min. contact time. Do not allow to dry. Then carry out basic cleaning with a single-disk machine or scrubbing dryer fitted with an appropriate pad.

Remove dirt solution with a wet vacuum cleaner. Then rinse the floor thoroughly with plenty of clean water.

Note

Always use cold water.

Not suitable for floors susceptible to alkalis, such as linoleum, rubber, open pore wood, cork and calciferous stone (e.g. marble and terazzo).

When being used in the automat, the tanks should be regularly cleaned and rinsed. Changes or variations in colour of the product do not impact on the quality.

Hazard statements

EUH208 Contains Limonene. May produce an allergic reaction.

H290 May be corrosive to metals.

H314 Causes severe skin burns and eye damage.

H412 Harmful to aquatic life with long lasting effects.
